

**Institute of Psychology of the Jagiellonian University
announces a call for**

SCIENTIFIC SCHOLARSHIP FOR YOUNG RESEARCHERS

**at the Faculty of Philosophy, in the Institute of Psychology, in the Department of Clinical Psychology,
within the project**

**“In search of the neuropsychophysiological underpinnings of impaired figurative language
comprehension in schizophrenia: on the role of the salience gradability of meanings - behavioral, EEG,
and MRI study”**

funded by National Science Center, OPUS 21 (UMO-2021/41/B/HS6/02967 ; PSP K/PBO/000868)

According to the article 3.3 of Regulations for awarding NCN scholarships for NCN-funded research projects, the scholarship may be awarded to a person who meets any of the following criteria: is a student of a full-time first or second-cycle degree programme or uniform Master's studies at a university in Poland; is a participant in a doctoral programme; is a doctoral candidate at a doctoral school.

We invite to apply:

- students of uniform Master's studies (at least the fourth year of study) or students of the second-cycle degree programme (in the field of psychology or related sciences),
- participants in a doctoral programme,
- doctoral candidates at a doctoral school,
- individuals interested in participation at a doctoral school.

Additional attributes:

- interest in neuroscience oriented clinical psychology, neuropsychology, psychophysiology or neuroimaging,
- interest in the role of language, communication, cognitive impairments in the psychopathology in schizophrenia,
- earlier experience in scientific project realization, e.g. participation as co-worker,
- openness for work with psychiatric patients with schizophrenia,
- familiarity with statistical software and statistical data analysis, (e.g. Matlab, Python, SPM, SPSS/Statistica),
- earlier experience in neuroimaging (EEG or fMRI) data analysis (e.g. FSL, FreeSurfer, EEGLab, Emegs, Multar);
- fluency in written and spoken English.

According to the article 3.12 of Regulations for awarding NCN scholarships for NCN-funded research projects **following criteria are considered:**

- the candidate's research achievements, including publications in prestigious academic press /journals (50% of the final score),

- research-related achievements, scholarships, awards and research experience gained in Poland or abroad, research workshops and training courses, participation in research projects (20% of the final score),
- the candidate's competence to carry out specific tasks in the research project (30% of the final score).

Duties include:

- literature research and active participation in the theoretical concept of research design,
- preparation of the study materials,
- programming and implementation of the research procedures,
- conducting the experiments in the laboratory,
- back-up and entering the data from the experiments to the statistical software,
- conducting the statistical analysis,
- interpretation of the results,
- preparation of the publications and the conference presentations,
- presentation of the results at the scientific conferences,
- attendance in the regular research team meetings,
- time flexibility – on-site work at the Institute of Psychology of the Jagiellonian University or Clinical Hospital, or EEG/MRI laboratory for about 8 hours per day from Monday to Friday. Short term remote work is possible. Working hours will be determined considering schedule of the classes of the applicant.

We offer:

- scholarship, 3000 PLN per month, for 36 months,
- open space desk,
- employment in the dynamically developing Research Team,
- opportunity for scientific development and improvement of the research skills,
- co-authoring of the new publications created by the Research Team,
- opportunity to participate in Polish and international conferences,
- opportunity to implement own research projects in cooperation with the members of the Research Team.

Required documents:

Applicants shall submit the following documents at the Institute of Psychology of the Jagiellonian University, Kraków, ul. Ingardena 6, room. 3.20 or send them by e-mail to the following address: przemyslaw.adamczyk@uj.edu.pl

1. application with a cover letter in English,
2. resume in English, including information on awards resulting from scientific research, scholarships, awards, scientific experience gained outside the parent research unit in the country or abroad, workshops and scientific training, participation in research projects,

3. certificate of student status and year of study or a copy of the university diploma, or certificate of participation in doctoral studies or a doctoral school,
4. a list of publications and conference presentations,
5. copies of published articles,
6. letter of recommendation in English,
7. signed information on the processing of personal data (attached to this announcement).

The deadline for application submission: 30/12/2022, 24:00

Selected candidates will be invited to an interview in English that would be held on: January 2023 after individual arrangement.

The call will be resolved no later than 30/02/2023.

Personal data processing information for job applicants

According to Article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation – hereinafter GDPR), the Jagiellonian University informs that:

1. The Administrator of your personal data is the Jagiellonian University with its registered office in Gołębia 24, 31-007 Kraków, represented by the Rector of UJ.
2. The Jagiellonian University appointed the Data Protection Officer www.iod.uj.edu.pl, Gołębia 24, 30-007 Kraków. The Officer can be contacted by email: iod@uj.edu.pl or at the telephone number 12 663 12 25.
3. Your personal data will be processed in order to:
 - a. conduct recruitment process for the position specified in this advertisement – as part of the legal obligation of the Administrator pursuant to Art. 6 (1) lit c of the GDPR in connection with the Polish Labour Code;
 - b. conduct recruitment process for the position specified in this advertisement based on your consent pursuant to Art. 6 (1) lit a of the GDPR – your consent is granted by the clear action of submitting your CV with the Administrator. The consent to the processing of personal data concerns data that you voluntarily provide as part of your CV, which do not result from Polish Labour Code.
4. The obligation to provide your personal data results from the law (it applies to personal data processed under Article 6 (1) lit c of the GDPR). Failure to provide your personal data will result in your inability to take part in the recruitment process. Submission of personal data processed on the basis of consent (Article 6 (1) lit a of the GDPR) is voluntary.
5. Your data will be processed during the recruitment period. In the event of not concluding the contract with you, your data will be deleted after the recruitment process.
6. You have the right of access to the content of your personal data, as well as the right to correct, delete, restrict processing, transfer, object to processing – on the terms and conditions set out in the GDPR.
7. If the processing is based on consent, you have the right to withdraw the consent at any time, which shall not affect the lawfulness of processing based on the consent given before the withdrawal. Withdrawal of consent to the processing of personal data can be sent by e-mail to: instytut.psychologi@uj.edu.pl or by post to the following address: Instytut Psychologii, ul. R. Ingardena 6, 30-060 Kraków, or you can withdraw your consent in person at Instytut Psychologii UJ.
8. Your personal data will not be subject to automated decision making or profiling.
9. You have the right to lodge a complaint with the Inspector General for the Protection of Personal Data, if you feel that the processing of your personal data violates the GDPR regulations.
